PROFESSIONAL EXPERIENCE

Social Media Manager

Jan 2024 – Mar 2025

[Spotlit AI](#) · Remote

- Engineered end-to-end automation pipelines for Instagram and LinkedIn, cutting manual publishing effort by ~60% while maintaining consistent daily output across both platforms.
- Implemented real-time trend monitoring and performance analytics feedback loops, enabling rapid content pivots that increased average post reach within the first quarter.
- Managed multi-platform content calendar, coordinating AI-generated and human-edited assets to ensure brand consistency and timely distribution.
- Applied GEO (Generative Engine Optimisation) and AEO (Answer Engine Optimisation) principles to social content strategy, improving discoverability in AI-powered search surfaces.

Social Media Manager & Content Designer

Mar 2023 – Dec 2023

[Keyblocks Strategy](#) · Hyderabad, India

- Designed and executed integrated content strategies for B2B clients across multiple industries, driving consistent improvement in engagement and follower growth.
- Directed a dedicated content team — overseeing briefs, quality control, editorial scheduling, and final delivery across all client accounts.
- Produced high-quality long-form articles, social posts, and campaign copy tailored to niche professional audiences, increasing organic reach.
- Ran multi-channel social campaigns from concept to analysis, providing clients with performance reports and strategic recommendations.

Media Delivery Coordinator

Jun 2019 – Aug 2021

[Cambridge University Press](#) · Hyderabad, India

- Coordinated global artwork commissioning and rights compliance workflows for educational publishing assets across international markets, maintaining zero compliance breaches.
- Managed end-to-end production of voiceover and audio assets, liaising with studios, rights holders, and editorial teams to meet strict global publication deadlines.
- Oversaw digital asset organisation and distribution pipelines, ensuring assets met technical and quality standards for worldwide digital release.
- Acted as central coordination point between editorial, legal, and production teams across multiple time zones.
